

“When I discovered the Uebel Superior clarinets it was love at first playing! The beauty, depth and clarity of sound in all registers, excellent intonation, variety of colors and wide range of dynamics without losing focus and warmth are not only evident to me as a player but have also been commented on by my chamber music colleagues, students and audiences. Bravo Uebel!”

Nancy J. Braithwaite

Nancy Braithwaite, Professor of Clarinet and Chamber Music at Codarts the Rotterdam Conservatory, has performed throughout Europe and North-America as chamber musician, recording artist, recitalist and soloist with orchestra.
